St. Mary's Search Committee Members **September 6, 2015**

The Search Committee membership was announced at both worship services on Sunday, September 6, 2015.

These seven individuals are tasked with finding the 2 or 3 candidates to present to the Vestry as clergy who are qualified to become the 12th rector of St. Mary's.

While confidentiality is absolutely necessary for this process, secrecy is not. Thus the Search Committee will be informing the congregation and the greater community of next steps, how everyone can be involved and the process as it unfolds. Please continue to check out this website link and participate in the process as it progresses.
